Dear Sheridan College

My name Mona I'm from Saudi Arabia and I live in Al-Khobar. I enjoy reading books whenever I'm free also going out shopping with my friends and I enjoy going to the beach with my family every weekend if we have the chance to. However, I'm not interested in football nor playing video games. I have many hobbies like drawing, painting and sometimes cooking like making my favorite dish which is pasta, yet my favorite one is travelling and I have always wanted to travel to Canada since I want to either study there or work there. I am single and I don't work at the moment but hopefully in the future I will hopefully have my own company and work as a business administrator. The college that I have always wanted to study in is called Sheridan college, it's in Mississauga Ontario. It offers more than 130 programs which motivated me to go there and study there

Thank you for taking the time to consider my email
