- يرجى ضرورة التحويل إلى صيغة pdf بعد الانتهاء من الواجب ورفعته على المودل.
- الحل يكون على هذا النموذج الخاص بالجامعة فقط ولن تقبل أي مستندات أخرى.

Instructor's Name:

Dr. Sara Adel

Assignment (1)

During our study about Leadership, we learned the difference between manager and leader, adding to that we studied traits, and styles of leaders and leadership.

In our first assignment, you will research and write about **a modern project leader** of your choice . Carefully consider his traits, styles, and detect any different situations for his/her leadership in today's organizations.

Your Task

1. Select a leader either a “good example or a bad example.”
2. Research your chosen leader, identifying **evidence** of his/her traits, styles, and leadership situations.
3. Write a **four-paragraph essay** profiling your chosen leader.
 - First, introduce your leader, and state why you selected him/her. Was their leadership effective or not effective?
 - Next, detect the traits and style of your leader, and why you chose that style for him/her?
 - Next, describe the leadership situation your chosen leader was in and so you chose for him that style?
 - Finally, conclude with a short description what is your personal leadership style and how effective it has been for you?

Best of luck..

الواجب الاول

خلال دراستنا في مقرر القيادة في المشاريع، تعلمنا ما هو الفرق بين المدير والقائد، أضف إلى ذلك أننا تطرقنا أيضاً إلى سمات وأنماط القادة والقيادة.

في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

1. حدد قائداً أياً كان "مثالاً جيداً أو مثالاً سيئاً للقيادة".
2. ابحث عن القائد الذي اخترته، وحدد الدليل على سماته وأنماطه ومواقفه القيادية.
3. اكتب مقالاً من أربع فقرات يصف القائد الذي اخترته:
 - أولاً، قم بتقديم قائدك، واذكر سبب اختيارك له / لها. هل كانت قيادته فعالة أم غير فعالة؟
 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.
 - أخيراً، اختتم بوصفاً موجزاً لأسلوبك الشخصي في القيادة ومدى فعاليته بالنسبة لك.

مع تمنياتي بالتوفيق....

Sundar Pichai

Sundar Pichai (born July 12, 1972) is an Indian computer engineer who is currently the CEO of Google and formerly the vice president of chrome and Android Systems. He is one of the most successful modern project leaders in the world, and one of the world's youngest billionaire. The truth about Sundar and his leadership is much more difficult than I can include in this short essay. He achieved extraordinary success, and through him, the vents have reached all over the world. Therefore, I chose to talk about Sundar as I think he is the best modern project leader in the whole world. So, he was effective and successful.

Sundar's Traits and style, let me talk about his traits first. A living legend that Pichai is, humility is one of the most characteristic that he never leaves behind. Easily approachable and soft-spoken, he makes his work speak for him, He strives to be patient and live a quiet free life. He has learned from his errors and has developed his organization as a visionary leader. Secondly, his style is simple and expresses reality, he practices what he preaches. Sundar Pichai is an "Affiliative leader". This type of style of leadership can be described as "People come first". He is emotional and promotes positivity. One of his major leadership strategies is: " To not only see your success but to focus on the success of others." Sundar explains that most of your work as a leader must be to make people successful. He is helpful and works as one team.

Sundar's leadership is emotional and loving to others. His leadership situation depended on focusing more on other's success than his own. He strives to encourage the team and reinforce the pros. Pichai, as a leader, was always liked and more focused on results instead of standing out. His leadership situations are based on co-operation. Due to his impressive leadership, he has been placed on the top 10 CEOs list.

To sum up, a successful leadership style, from my point of view, is to be affiliative as this style has a positive effect on employees. And it confirms the connection, harmony, and conflict resolution, and that's the style of Sundar that made him successful.
