- يرجى ضرورة التحويل إلى صيغة pdf بعد الانتهاء من الواجب ورفعته على المودل.
- الحل يكون على هذا النموذج الخاص بالجامعة فقط ولن تقبل أي مستندات أخرى.

Instructor's Name:

Dr. Sara Adel

Assignment (1)

During our study about Leadership, we learned the difference between manager and leader, adding to that we studied traits, and styles of leaders and leadership.

In our first assignment, you will research and write about **a modern project leader** of your choice . Carefully consider his traits, styles, and detect any different situations for his/her leadership in today's organizations.

Your Task

1. Select a leader either a “good example or a bad example.”
2. Research your chosen leader, identifying **evidence** of his/her traits, styles, and leadership situations.
3. Write a **four-paragraph essay** profiling your chosen leader.
 - First, introduce your leader, and state why you selected him/her. Was their leadership effective or not effective?
 - Next, detect the traits and style of your leader, and why you chose that style for him/her?
 - Next, describe the leadership situation your chosen leader was in and so you chose for him that style?
 - Finally, conclude with a short description what is your personal leadership style and how effective it has been for you?

Best of luck..

الواجب الاول

خلال دراستنا في مقرر القيادة في المشاريع، تعلمنا ما هو الفرق بين المدير والقائد، أضف إلى ذلك أننا تطرقنا أيضاً إلى سمات وأنماط القادة والقيادة.

في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

1. حدد قائداً أياً كان "مثالاً جيداً أو مثالاً سيئاً للقيادة".
2. ابحث عن القائد الذي اخترته، وحدد الدليل على سماته وأنماطه ومواقفه القيادية.
3. اكتب مقالاً من أربع فقرات يصف القائد الذي اخترته:
 - أولاً، قم بتقديم قائدك، واذكر سبب اختيارك له / لها. هل كانت قيادته فعالة أم غير فعالة؟
 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.
 - أخيراً، اختتم بوصفاً موجزاً لأسلوبك الشخصي في القيادة ومدى فعاليته بالنسبة لك.

مع تمنياتي بالتوفيق....

Nadhmi Al-Nasr is the CEO of NEOM project and is the former Executive Vice-President for Administration and Finance at King Abdullah University of Science and Technology and had held this office since 2008. He was born in 1956 in Qatif. He was the interim president of the institution in 2006 when the university was still in infancy. In 1978, he obtained a B.S. in Chemical Engineering from KFUPM in Dhahran, Saudi Arabia. He joined Saudi Aramco in 1978. In 1991, he managed the massive expansion program in the Ghawar oilfield, to fill the production gap caused by the loss of oil output from Iraq and Kuwait during the Gulf War. His leadership was very effective during his career in different positions and foreign projects.

During his leadership he was known as an example of a Democratic style since he always encourages his group members to share ideas and opining with him even though the final word or decision was his. He makes the member of the group feel more engaged in the process. Also, he was very creative and rewarded. Most reasons led me to choose him that he creates a very high-quality work environment. Brings more viewpoint to the discussion and allow for more efficient problem solving. Most important that he build team relationships.

There are many reasons that made me choose Nadhmi as a great leader, one of the major milestones in his career is under his excellence supervision the Shaybah mega-project came on stream, under budget and a year ahead of schedule. In addition, he held the project of KAUST university to become state of the art campus in Saudi Arabia.

As a style of management that work very well with me is to understand the scope of work and plan the project resource and objective. Ensure each team member understand his duties and responsibilities of work. Also, continually monitor and evaluate work progress along project stages. This style has made a lot of progress for my team in work and leadership. Eventually I like supporting rather than controlling people to create a productivity working environment.
