Dr. Sara Adel

Introduction: he is my ex-CEO was a big leader Mr. Abdullatif Soubra, we work together almost for 3 years, and was the best year for the company with very high effectiveness.

he was having a transformational with very strong visionary with a high-class leadership style, integrity, defines clear goals, always encourages clear steps to communication and expressive.

I choose to talk about him because he was inspired for me to work together towards a common target, develop my personal skills level especially the management skills, he made me leader for many projects and that give me chance to prove myself and discover my own best skills, and that the reason to give him this style.

I think I have a Coaching leadership style because I always love to teaching and supervising followers and deliver high operational with best results, I believe with the says "من أراد منكم أن يعمل عملاً فليحسنه", always encouraging my team and colleagues to develop their skills.
