(Discuss the retaliation ship between Functions of Management and function of project)

(ناقش العلاقة بين وظائف الادارة ووظائف المشروع)

Without a management their will be no project, so it's a very important to have a leadership to lead the team to success into the project. It is an important for the project to be planed and organized from the management to reach the ultimate goal. A good strategy needs a good management and a good staff, to accomplish the project. Management should give motivation and positivity to their staff, so in return the staff will be creative in order to complete the project successfully. Teamwork is the most key factor for

A good plan and bond the team in order to finish the project.

In conclusion. If you want to finish a project, you will need a great management and a great staff.
