Assignment (1)

During our study about Leadership, we learned the difference between manager and leader, adding to that we studied traits, and styles of leaders and leadership.

In our first assignment, you will research and write about **a modern project leader** of your choice . Carefully consider his traits, styles, and detect any different situations for his/her leadership in today's organizations.

Your Task

1. Select a leader either a “good example or a bad example.”
2. Research your chosen leader, identifying **evidence** of his/her traits, styles, and leadership situations.
3. Write a **four-paragraph essay** profiling your chosen leader.
 - First, introduce your leader, and state why you selected him/her. Was their leadership effective or not effective?
 - Next, detect the traits and style of your leader, and why you chose that style for him/her?
 - Next, describe the leadership situation your chosen leader was in and so you chose for him that style?
 - Finally, conclude with a short description what is your personal leadership style and how effective it has been for you?

Best of luck..

الواجب الاول

خلال دراستنا في مقرر القيادة في المشاريع، تعلمنا ما هو الفرق بين المدير والقائد، أضف إلى ذلك أننا تطرقنا أيضاً إلى سمات وأنماط القادة والقيادة.

في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

1. حدد قائداً أياً كان "مثالاً جيداً أو مثالاً سيئاً للقيادة".
2. ابحث عن القائد الذي اخترته، وحدد الدليل على سماته وأنماطه ومواقفه القيادية.
3. اكتب مقالاً من أربع فقرات يصف القائد الذي اخترته:
 - أولاً، قم بتقديم قائدك، واذكر سبب اختيارك له / لها. هل كانت قيادته فعالة أم غير فعالة؟
 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.
 - أخيراً، اختتم بوصفاً موجزاً لأسلوبك الشخصي في القيادة ومدى فعاليته بالنسبة لك.

مع تمنياتي بالتوفيق....

President Mandela's Leadership

Nelson Rolihlahla Mandela is a renowned and influential leader who was born at Umtata in Transkei district of South Africa. Mandela was born on 18th July 1918. Since Mandela was a bright student, he proceeded to Fort Hare University. It is at the university that Mandela's leadership traits began to emerge. Mandela would fight for equality of all students in college. He would later proceed to spearhead the fight for democracy in South Africa. As a result, he qualified as the first democratically elected president of the republic of South Africa. He later led the country for five years. Today, Mandela is esteemed as an example of an egalitarian leader.

Leadership can be described as the action of guiding and controlling other people. Transformational leadership style is one of the major leadership styles that are very contradicting. As a leader, it is evident that President Mandela used transformational leadership. Transformational leadership is all about teamwork between the followers and the leader. In addition, the transformational leaders always consider their followers to ensure that they get to achieve all their goals. As a leader, Nelson Mandela, motivated his followers to achieve great things through inspiration, personality strength, intellectual stimulation, and individualized attention. Nelson Mandela is a sample of great will and power. His Presidency over the South African Republic would always serve as the example of devotedness and desire to improve the existing situation. His personal attitude towards his people can be estimated as one of the kindest, the most popular and open among the world leaders. The tough way he had passed became a good reason for developing proper, wise and significant leadership.

Also, Nelson Mandela spent 27 years in prison for opposing South Africa's apartheid system. He faced harsh conditions meant to break his resolve, but Mandela refused to give up his efforts to achieve equality for all people. Despite the terrible personal cost of imprisonment, Mandela continued to act as a leader and mobilized his fellow political prisoners. After he was released, Mandela helped negotiate an end to apartheid and became the first democratically elected president of South Africa. This is the story of Nelson Mandela's journey from prisoner to president.

In conclusion, a leader is a person who is moving in a particular direction while managing to convince others to follow him or her. A leader is a coordinator, a commander, a manager, a counsellor, and an initiator. That is how I am a transformational leader with high communication skills which helps me a lot during my work and let me override a lot of situations and obstacles.
