Assignment (1)

During our study about Leadership, we learned the difference between manager and leader, adding to that we studied traits, and styles of leaders and leadership.

In our first assignment, you will research and write about **a modern project leader** of your choice . Carefully consider his traits, styles, and detect any different situations for his/her leadership in today's organizations.

Your Task

1. Select a leader either a “good example or a bad example.”
2. Research your chosen leader, identifying **evidence** of his/her traits, styles, and leadership situations.
3. Write a **four-paragraph essay** profiling your chosen leader.
 - First, introduce your leader, and state why you selected him/her. Was their leadership effective or not effective?
 - Next, detect the traits and style of your leader, and why you chose that style for him/her?
 - Next, describe the leadership situation your chosen leader was in and so you chose for him that style?
 - Finally, conclude with a short description what is your personal leadership style and how effective it has been for you?

Best of luck..

William Henry Gates III is an American businessman, software developer, investor, author, and philanthropist who was born in 1955. He is a co-founder of Microsoft Corporation and he is one of the best-known entrepreneurs. I selected him as a modern leader because he believes in his dreams, care about other people in the world, and never stop learning and working. Also, because he is striving to improve healthcare and reduce extreme poverty around the world. I think that his leadership is very effective because Gates has routinely ranked among the richest people in the world and the most inspirational leaders.

After deep searching and reading, I think that Bill Gates adapts both transformational and charismatic leadership styles. He follows a strong vision, takes risks to achieve his dreams, encourages personal creativity in oneself and the rest of the team, inspires others to achieve extraordinary outcomes, and enhances innovation. I chose these leadership styles for him because he is focus, working tirelessly, and always passionate about everything he does.

Since he was young, Bill Gates dropped out of school, pursued what he was passionate about, and took risks based on his personal knowledge and creativity. Taking risks is a known characteristic of charismatic leadership style. In August 2013, the Bill & Melinda Gates Foundation announced the Reinvent the Toilet Challenge. The foundation invested US\$5 million to support Chinese investigators to drive research, development, and production of the "next generation toilet." For the 4.5 billion people who lack safe sanitation today, these products have the potential to be life changing. Enhancing innovation is a known characteristic of transformational leadership style.

As a healthcare worker that always works in a multidisciplinary team, I think that I tend toward a democratic style of leadership. I often focus on encouraging feedback from others to build trust and respect among my team. As a leader, I love to delegate authority to other team-members but I hold the final responsibilities. When I let other team-members participate in making the decision, I feel that they will be more involved and will care more about the project. I found this style very effective, and it allows me to create a comfortable work environment.

الواجب الاول

خلال دراستنا في مقرر القيادة في المشاريع، تعلمنا ما هو الفرق بين المدير والقائد، أضف إلى ذلك أننا تطرقنا أيضاً إلى سمات وأنماط القادة والقيادة.

في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

1. حدد قائداً أياً كان "مثالاً جيداً أو مثالاً سيئاً للقيادة".
2. ابحث عن القائد الذي اخترته، وحدد الدليل على سماته وأنماطه ومواقفه القيادية.
3. اكتب مقالاً **من أربع فقرات** يصف القائد الذي اخترته:
 - أولاً، قم بتقديم قائدك، واذكر سبب اختيارك له / لها. هل كانت قيادته فعالة أم غير فعالة؟
 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.
 - أخيراً، اختم بوصفاً موجزاً لأسلوبك الشخصي في القيادة ومدى فعاليته بالنسبة لك.

مع تمنياتي بالتوفيق....
