- يرجى ضرورة التحويل إلى صيغة pdf بعد الانتهاء من الواجب ورفعته على المودل.
- الحل يكون على هذا النموذج الخاص بالجامعة فقط ولن تقبل أي مستندات أخرى.

Instructor's Name:

Dr. Sara Adel

Assignment (1)

During our study about Leadership, we learned the difference between manager and leader, adding to that we studied traits, and styles of leaders and leadership.

In our first assignment, you will research and write about **a modern project leader** of your choice . Carefully consider his traits, styles, and detect any different situations for his/her leadership in today's organizations.

Your Task

1. Select a leader either a “good example or a bad example.”
2. Research your chosen leader, identifying **evidence** of his/her traits, styles, and leadership situations.
3. Write a **four-paragraph essay** profiling your chosen leader.
 - First, introduce your leader, and state why you selected him/her. Was their leadership effective or not effective?
 - Next, detect the traits and style of your leader, and why you chose that style for him/her?
 - Next, describe the leadership situation your chosen leader was in and so you chose for him that style?
 - Finally, conclude with a short description what is your personal leadership style and how effective it has been for you?

Best of luck..

الواجب الاول

خلال دراستنا في مقرر القيادة في المشاريع، تعلمنا ما هو الفرق بين المدير والقائد، أضف إلى ذلك أننا تطرقنا أيضاً إلى سمات وأنماط القادة والقيادة.

في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

1. حدد قائداً أياً كان "مثالاً جيداً أو مثالاً سيئاً للقيادة".
2. ابحث عن القائد الذي اخترته، وحدد الدليل على سماته وأنماطه ومواقفه القيادية.
3. اكتب مقالاً من أربع فقرات يصف القائد الذي اخترته:
 - أولاً، قم بتقديم قائدك، واذكر سبب اختيارك له / لها. هل كانت قيادته فعالة أم غير فعالة؟
 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.
 - أخيراً، اختتم بوصفاً موجزاً لأسلوبك الشخصي في القيادة ومدى فعاليته بالنسبة لك.

مع تمنياتي بالتوفيق....

Back in 2015, I have worked with one of our company's managers, his name is Mr. Eyad, and we worked for one of the project packages titled "Buildings and Infrastructure". I chose him in this exercise as one of the leaders that I have really inspired by his leadership and the way he managed to bring the project back on track within limited time whereas other managers, who were assigned before him, failed to cope up the work as needed. The project package had encountered two major challenges which require an effective skill such as "Analytical and Communication". The challenges were:

- Poor contractor performance.
- Exhausted team.

I have observed some of the good traits in Mr. Eyad which helped him to be a good and successful leader on the aforementioned assignment. For instance, he was a good listener, acumen and liked by his staff. Mr. Eyad is a charismatic leader with affiliation and pacesetting leadership style. I experienced that in very short time he effectively built a team moral with sprit by conducting multiple team building events. Also, he created a healthy competitive environment where team competed each other and kept the required pace the project work.

Mr. Eyad was not the only leader that I have come across during my work experience, but I can say that he is a unique leader and I am distinguishing him from others because of the following reasons:

- The performance issue of the contractor was tackled through some of his way of thinking where he explored different options and picked the best to improve the contractor performance by augmenting the workforce by supplemental man power.
- Also, he was able to manage project team effectively through teambuilding events.

Now, about me, I am practicing the affiliative leadership style as it has been helping me in getting the maximum productivity of the team as well as keeping good relationship and harmony within the group. I believe it is truly a win-win situation where both the team and me, as a leader, are completely aligned in meeting the business objectives.
