Also use simple present tense and the vocabularies that have been covered in the three units.

Dear Samara,

I am so happy to be in your ENG-101 class. I am Haitham Al-Haj from the bachelor's program. I am single and willing to get married very soon. My father passed away last week because he was sick. I am originally from Sudan, but I was born in Saudi Arabia, so I am both Saudi and Sudanese. I enjoy my spare time, reading and talking to others, to get new ideas for my current work. I like business traveling because I can be exposed to other cultures.

We are like a big family in your e-learning class and we are looking forward to meeting you before the end of this year.

I wish you all the best in your career and to continue learning from you, until being fluent in the English language.

Best regards,

Haitham
