(Discuss the relationship between Functions of Management and function of project)

(ناقش العلاقة بين وظائف الإدارة ووظائف المشروع)

Administrative functions (planning - organizing - directing - controlling - and leadership) are applied in every function of the project for its success such as (finance, human resources, production and marketing) .

Also, management is practiced according to the time that we are working in. As for the project, it is planned

And management jobs are those who manage the work with interest and integrity. As for the project jobs, they make every effort to achieve the highest level of success.
