Dear Jasmin ..

I welcome you as our new colleague to the company, I'm Kholoud Arafat from Business Development Department and I live in Riyadh.

I'm married and I have two lovely boys (10 and 6), They are annoyed about the situation with Corona because they want to enjoy participating in interactive games with their friends, My husband works as an HR and support service manager for a real estate company, He likes to go to the cinema in weekends but he doesn't like to go to the concert. We plan for the weekend to spend time with the big family and hobby because we are busy all week. for example, my hobbies are horseback riding and reading in the development and research field. BTW if you need anything about business development I will help you.

Regards ..

Kholoud
