

Midocean University

College of Management

Leader Name: فراس محمد الدعيلج 232000980

**Each proposal will be evaluated according to the following evaluation criteria:**

|                                                      | Accepted | Refused | Developed | Comment                             |
|------------------------------------------------------|----------|---------|-----------|-------------------------------------|
| 1- Research Cover                                    | *        |         |           |                                     |
| 2- Research Title                                    | *        |         |           |                                     |
| 3- Introduction                                      | *        |         |           |                                     |
| 4- Study Problem                                     | *        |         |           |                                     |
| 5- Importance of The Study                           | *        |         |           |                                     |
| 6- Objectives of The Study                           | *        |         |           |                                     |
| 7- Study Questions                                   | *        |         |           |                                     |
| 8- Theoretical Framework                             | *        |         |           |                                     |
| 9- Theoretical Premises of Study                     |          |         |           | لا يوجد                             |
| 10- Research Methodology                             | *        |         |           |                                     |
| 11- Study Tools                                      | *        |         |           |                                     |
| 12- Fields of Study                                  | *        |         |           |                                     |
| 13- List of The References and Preliminary Resources |          |         | *         | ضرورة كتابة المراجع بطريقة اكاديمية |
| 14- General Comments (Optional)                      |          |         |           |                                     |
