في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.

My leadership his name is Sami Al-Jaber, he was a player in Al-Hilal club for almost 25 years, and he retired in 2008. The club management had chosen him to be football management director in Al-Hilal because he was the captain of the team when he was a player, and they believe on his leadership. During his journey of being a football director, his leadership was effective.

Sami Al-Jaber was dealing with 30 players in the team Saudi and non-Saudi players. As per the players who were under his management, they praised on Sami's leadership because he was treating the players, the coaching leadership style.

One day, Al-Hilal club was having Home and Away matching with Qatari club named Al-Gharrafa in Champions league. Al-Hilal won the home match against Al-Gharrafa 3-0 then he traveled to Qatar to play the away match. During the match, Al-Gharrafa scored 3 goals in the second half , and the match went to extra time. Then Al-Gharrafa Scored one more goal so that means they won. There was a rest time between the extra time, Sami sat with the players a football director and give a speech to all players for 5 minutes and he mentioned that the fans are watching the game and they believe in each of you and do not disappoint the fans. Finally, the team scored 2 goals in the second extra time and they won in total score 6-4 to Al-Hilal.

In conclusion, my personal leadership is coaching because I believe that people have at least one skill but some of them they do not know how to use it or they do not discover it. I was selected to be a project manager in my company, and there were two people with me. One of them, he was scared of using Excel program and he knew only the basics for Excel I recommended him to watch videos for advanced excel. Also, I asked him to develop the workflow part that we made in Excel, and he did it. He told me that he is enjoying when he use the Excel and not scared anymore.
