Assignment (1)

During our study about Leadership, we learned the difference between manager and leader, adding to that we studied traits, and styles of leaders and leadership.

In our first assignment, you will research and write about **a modern project leader** of your choice . Carefully consider his traits, styles, and detect any different situations for his/her leadership in today's organizations.

Your Task

1. Select a leader either a “good example or a bad example.”
2. Research your chosen leader, identifying **evidence** of his/her traits, styles, and leadership situations.
3. Write a **four-paragraph essay** profiling your chosen leader.
 - First, introduce your leader, and state why you selected him/her. Was their leadership effective or not effective?
 - Next, detect the traits and style of your leader, and why you chose that style for him/her?
 - Next, describe the leadership situation your chosen leader was in and so you chose for him that style?
 - Finally, conclude with a short description what is your personal leadership style and how effective it has been for you?

Best of luck..

الواجب الاول

خلال دراستنا في مقرر القيادة في المشاريع، تعلمنا ما هو الفرق بين المدير والقائد، أضف إلى ذلك أننا تطرقنا أيضاً إلى سمات وأنماط القادة والقيادة.

في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

١. حدد قائداً أياً كان "مثالاً جيداً أو مثالاً سيئاً للقيادة".
٢. ابحث عن القائد الذي اخترته، وحدد الدليل على سماته وأنماطه ومواقفه القيادية.
٣. اكتب مقالاً من أربع فقرات يصف القائد الذي اخترته:
 - أولاً، قم بتقديم قائدك، واذكر سبب اختيارك له / لها. هل كانت قيادته فعالة أم غير فعالة؟
 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.
 - أخيراً، اختتم بوصفاً موجزاً لأسلوبك الشخصي في القيادة ومدى فعاليته بالنسبة لك.

مع تمنياتي بالتوفيق....

Today, I will talk about a great person who has great traits that are very rare founded these days. this characteristic influences directly me and inspire me not only on this point but in fact, changes my life. his name Mohammed Hassan. I knew him from my childhood when my father introduced him to me after the situation happened to me. my father was missing a lot from the house because of his working conditions and I was going to Mohammed in many matters of my life. so, this is what my leader is and I selected him from others because he is affected a lot positively in many matters of my life. if you ask me how was his leadership, absolutely I will say it a grateful it is effective.

He was kind and pity me very much, he often checks my condition. at the same time, he was strict with me in case I made a mistake. he had high values and principles and was of high character. he always advised me to use my time for something that benefits me. I believe that his leadership style was coaching. I chose this style for him because he always motivates, inspires, and teaches me a lot of things.

About the situations that let me choose this person is more and I will mention one of them. in one day, a financial dispute arose between two neighbors in our neighborhood it was about money one owes the other. where they had to scream so much that most of the people in the neighborhood heard of their problem. this dispute reached the point where the creditor wanted to go to court to sue the debtor. some tried to intervene in resolving the conflict but could not solve the problem. suddenly I saw Mr. Mohammed go to them and took them away from the people to his house. one hour later I saw them get out of his house as if nothing happened between them. I was impressed by this situation. later, I found out that Mr. Mohammed sponsored the man's debt and solved the problem. he was a leading man with lofty principles. so, for this reason, I loved to determine that to talk about this guy.

Now, if you ask me about your personal leadership style, actually depends on the different situation and the characteristics of the team member I deal with him. Mostly, I am a democratic leader but become autocratic in situations in which I feel that being indolent in decision-making pose risks. sometimes being coaching especially when I have experiment in a particular domain. I tried these styles and I believe are effective and lead to good results.
