Instructor's Name:

Dr. Sara Adel

Elon Musk (born, 1971) is a businessman, engineer and industrial designer. He is the CEO and product architect of Tesla, CEO and chief designer of SpaceX. He is one of the richest people in the world, his net worth \$190 billion. I chose him because he is a businessman with impressive future ideas. He has proven that he is able to change people's way of life into a better and easier way. Most of his projects are developmental in the field of industry and electric power, EX, solar city project. His leadership is effective.

Elon Musk is an expert influence, He inspires his Team. His leadership style is transformational. However, under his name along list of businesses and achievements. He has a reputation as being equal parts genius and workaholic, and employees are quick to admit that working for him is simultaneously challenging and rewarding. In other word, he not only getting other to believe in his vision, but also inspired to help make it happen.

Elon not only sitting on his office but also he spends time to know the problem that may guided him in achieving his vision. He said "I always move my desk to wherever--I don't really have a desk actually--I move myself to wherever the biggest problem is in Tesla." Leaders should spending their time where time need to be spend, that what make him an effective leader who make a quick decision and improvement. He is always supporter to his team and he works in the practical field. Many leaders after a long list of accomplishments sit and take it as a final destine, but for Elon it is not. He has a vision and he influences his team to accomplish more goals.

As a leader my style would be modern, and I like the great man theory, because it show how leaders are strong when they having a follower who believe in them. As a modern style I tend to listen, collaborate and teamwork. Motivating others is a psychological key.

Assignment (1)

During our study about Leadership, we learned the difference between manager and leader, adding to that we studied traits, and styles of leaders and leadership.

In our first assignment, you will research and write about **a modern project leader** of your choice . Carefully consider his traits, styles, and detect any different situations for his/her leadership in today's organizations.

Your Task

1. Select a leader either a “good example or a bad example.”
2. Research your chosen leader, identifying **evidence** of his/her traits, styles, and leadership situations.
3. Write a **four-paragraph essay** profiling your chosen leader.
 - First, introduce your leader, and state why you selected him/her. Was their leadership effective or not effective?
 - Next, detect the traits and style of your leader, and why you chose that style for him/her?
 - Next, describe the leadership situation your chosen leader was in and so you chose for him that style?
 - Finally, conclude with a short description what is your personal leadership style and how effective it has been for you?

Best of luck..

الواجب الاول

خلال دراستنا في مقرر القيادة في المشاريع، تعلمنا ما هو الفرق بين المدير والقائد، أضف إلى ذلك أننا تطرقنا أيضاً إلى سمات وأنماط القادة والقيادة.

في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

1. حدد قائداً أياً كان "مثالاً جيداً أو مثالاً سيئاً للقيادة".
2. ابحث عن القائد الذي اخترته، وحدد الدليل على سماته وأنماطه ومواقفه القيادية.
3. اكتب مقالاً **من أربع فقرات** يصف القائد الذي اخترته:
 - أولاً، قم بتقديم قائدك، واذكر سبب اختيارك له / لها. هل كانت قيادته فعالة أم غير فعالة؟
 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.
 - أخيراً، اختتم بوصفاً موجزاً لأسلوبك الشخصي في القيادة ومدى فعاليته بالنسبة لك.

مع تمنياتي بالتوفيق....
