

- Provide research title
- Each reviewed study should be written in paragraph form instead of using a bullet-point format.
- For each study, ensure that the results are reported in a quantifiable manner, with appropriate in-text citations included.
- There is no need to review each paper individually or explicitly state the title of each paper. Instead, provide a collective review of all the studies.
- Provide reference list
- provide critical analysis in one speared section

Research Methodology in Computer Science (AI800)

Assignment 1 Rubric

Weighting: 20%

16/23

14/20

Criteria	Marks	Description
Research Title	2	The research title is clear, concise, and directly relevant to the topic (2 marks). 0
