Dear respected Dean of Faculty:

I am writing this email because I have the passion to continue my Education in your College and improve my scientific knowledge.

My name is Hisham Abdulaziz. I live in Saudi Arabia and I am 40 years old.

I study Project Management and I work for an Investment company in the city I live in.

I like reading books, especially those related to my field and writing thoughts. I enjoy taking science excursions and making training courses. However, I don't prefer wasting my time on useless things.

I hope to be accepted into college.

Yours sincerely,

Hisham
