Instructor's Name:

Dr. Sara Adel

When I want to talk about an inspiring leader who has an intelligent mind, pure heart and right move, I can only talk about Prophet Mohammed my god bless him, he has a perfect example to be emulated in all fields, especially in leader, his life was characterized by successful leadership qualities.

His wise leadership had a resounding success, he was pardon and forgiveness, by gaining the loyalty and obedience of those who lead them, in this case we can say he has an affiliative style.

although he has a assertiveness in matters, he doesn't back down in issuing and implementing decisions when the situation calls for it, from that when he demolish the Dharar Mosque, which was built by the hypocrites in order to protect those who fight God and his messenger. Also, he has a right example for a Transformational leader who knows how to distribution of tasks and roles.

About myself, I inclined to Coaching Style, but usually I refer to his stories in many situation to take the right action when I'm confused about something.
