Business diary: Eugene Kaspersky

by Mary Watkins

Eugene Kaspersky is CEO of Kaspersky Lab, the Russian security software company. The company is based in Moscow and has offices in 29 countries. Its main competitor is Symantec. Most of the company's sales are outside Russia.

Kaspersky spends 50% of his time in Moscow, but the other 50% he travels. He is often away for more than three weeks at a time. When he is away, he attends meetings, goes to trade shows and sometimes gives presentations. When he is in the office, he spends time talking informally to colleagues – at their desks or in the company restaurant.

The Moscow office is like a big family. Many people in the office are friends. Some go on holiday together. Everyone dresses

informally. Kaspersky normally wears shirts and jeans, but he has a suit for important meetings with presidents and prime ministers.

In Moscow, he does not get up early, especially after a business trip. "On some business trips, I only get three or four hours' sleep a night, so I need to relax," says Kaspersky. At the end of a busy Moscow office day, he goes to the gym with his personal trainer. "It's a great way to relax after a busy day in the office." If he can, he also takes two days off a month.

Holidays are important too. "In winter, I go skiing. In the summer, I often go to the mountains, where I can't use the Internet or my mobile phone. But I can get a satellite connection."

C

Answer these questions.

1 Is Kaspersky a formal or informal CEO?

He is an informal CEO.

2 Is most of his business in Russia or in other countries?

in other countries

3 Does he work 24/7 (24 hours a day, seven days a week)?

No, he doesn't

D Decide whether these statements are true (T) or false (F). Correct the false ones.

- 1 Kaspersky travels a lot. T
- 2 He wears formal business clothes in the office. F. He wears shirts and jeans
- 3 He gets up early every day. F. He doesn't get up early
- 4 He goes to the gym after work. T
- 5 He likes to have time to relax when he's in Moscow. T
- 6 He only has holidays in summer. F. He has holidays in summer and winter

E In each box, match the words that go together.

1 trade	a) trip
2 business	b) show
3 personal	c) day
4 office	d) trainer

5 attend	e) presentations
6 give	f) skiing

HUDSON DESIGN INC.

at a design business?**

Background

Hudson Design is based in New York. It designs websites for companies. Hudson's head office is in an expensive area of the city. It is on the 20th floor, and staff have a beautiful view of New York. The company is making a lot of money. However, many employees are unhappy, and the owners are worried that some will leave. A team from Human Resources is interviewing people in different departments: a receptionist, a website developer, a writer and a graphic designer.

- Feelings about job: (What / like / not like about job?)

2 Work and leisure, Case study, Task, page 21

Student B

Choose one of these roles.

Role card 1

Receptionist

Your job: Receive visitors; answer phone calls; book meeting rooms

Hours: 8 a.m.–5 p.m. Monday to Friday.
You sometimes work on Saturdays.

Breaks: One 15-minute break in the morning

Lunch: 1 p.m.–2 p.m. You never go out for lunch because the restaurants in the area are very expensive.

Feelings about job:

You are *not* happy.

- The reception desk is always very busy, so the work is tiring and stressful.
- You have a two-year-old daughter. You take her to a childminder every morning before you go to work. The childminding is very expensive.
- You want more flexible hours, longer breaks, a restaurant and a free day-care centre in the company.

Role card 2**Website developer**

Your job: Build software programs; design web pages, graphics and images; advise clients how to improve their software

Hours: 8 a.m.–5 p.m., but often later and at the weekend

Breaks: No regular breaks

Lunch: You usually have a sandwich at your desk.

Feelings about job:

You enjoy the job. You like your colleagues, but you do not like your boss because he:

- does not give you clear goals
- tries to tell you how to do your job
- asks you to give him reports each day about your work.

Role card 3

Writer

Your job: Write creative, original content for company websites; research topics on the Internet

Hours: 9 a.m.–5 p.m., often later

Breaks: No regular breaks

Lunch: Flexible times

Feelings about job:

You are very unhappy because you:

- are always under pressure and stressed. The company needs more content writers.
- want to spend two days a week working at home. The owners won't let you do this.
- want the company to provide free private health care.

Role card 4

Graphic designer

Your job: Meet clients to discuss what they want; produce new ideas for clients and help them to improve their website design

Hours: No fixed times, but always very long hours

Breaks: No fixed times

Lunch: You always have lunch at your desk. Usually fast food / a takeaway meal.

Feelings about job:

You want to leave the company because:

- the owners do not listen to you when the website developers and designers discuss new projects.
- the owners get angry if you have a hospital or dental appointment, or when you are late because you take the children to school.
- some of the younger designers need training, but the owners do not want to send them on training courses.

Thank You
