

For each study, review the paper in paragraph format instead of using bullet points; there is no need to list the authors, methods, or significance in bullet form. Follow one reference style consistently (either APA or IEEE). For each paper, ensure that the study’s objective, methodology, and findings are reported—preferably in quantitative format when possible.

For the title ; consider narrowing it by specifying the types of AI techniques or the particular decision-making areas being examined

Research Methodology in Computer Science (AI800)

Assignment 1 Rubric

Weighting: 20%

20/23

17/20

Criteria	Marks	Description
