Assignment (1)

During our study about Leadership, we learned the difference between manager and leader, adding to that we studied traits, and styles of leaders and leadership.

In our first assignment, you will research and write about **a modern project leader** of your choice . Carefully consider his traits, styles, and detect any different situations for his/her leadership in today's organizations.

Your Task

1. Select a leader either a “good example or a bad example.”
2. Research your chosen leader, identifying **evidence** of his/her traits, styles, and leadership situations.
3. Write a **four-paragraph essay** profiling your chosen leader.
 - First, introduce your leader, and state why you selected him/her. Was their leadership effective or not effective?
 - Next, detect the traits and style of your leader, and why you chose that style for him/her?
 - Next, describe the leadership situation your chosen leader was in and so you chose for him that style?
 - Finally, conclude with a short description what is your personal leadership style and how effective it has been for you?

Best of luck..

Adel bin Ahmed Al-Jubeir

became the fifth Saudi Minister of Foreign Affairs, who held Many political and government positions; an assistant at the Embassy of the Kingdom of Saudi Arabia in the United States, then a spokesperson for the Kingdom of Saudi Arabia, then a member of the Saudi delegation at the United Nations, head of the Department of Foreign Relations at the Embassy of the Kingdom of Saudi Arabia, and a special advisor of Foreign Policy Creativity at the Crown Prince's Court.

He's has capabilities to demonstrate behaviors that are out of usual is almost what make him the most prominent in the world. His Mind is always present, so he responds well to the question, even if it is difficult or embarrassing. He has clear and organized coordination with whom it may concern regarding every issue that requires an official position that represents the country, draws the future, and sets priorities. He also knows how to put the word in place, just as he is fluent in the art of response at the time. He is a Charismatic leader with a successful team that plans a clear goal, a comprehensive list of the projects, a vision, and an integrated plan. willing to take risks to achieve what he wants.

He can extinguish the flame of a bombed question with a sentence that, at first glance, seems simple and dreamy, but stings with sarcasm. He replied to a question about the threatening statements to Riyadh issued by the US presidential candidate Joe Biden that they are candidate positions, not necessarily the president's positions, adding that "Presidents usually say things during their election campaigns that the political realism and complexity of interests force them to amend them and act differently later Take over the presidency. " and gave an example of the Donald Trump, who announced relatively harsh positions on Riyadh during his first election campaign, and when he won the elections, Saudi Arabia was his first destination on his foreign trips. Also added that Riyadh only deals with the statements issued by the president after his assumption of the presidency and not as a candidate for the elections.

I have an Affiliative Leadership Style, I consider this style as a "hero" style, I like to have a harmonious team that work in a harmony together as a one big family. I try solve conflicts so that there is a healthy work environment free of hassles, and I also strive to build work teams that can smoothly communicate between each other.
