PROJECT LEADERSHIP

Prince Mohammed bin Salman

Mohammed bin Salman bin Abdul-Aziz Al Saud born 31 August 1985), colloquially known as (MBS), is the Crown Prince of Saudi Arabia

Reason for choosing MBS

Because he is an ambitious man, seeking to develop our country

He also supported Saudi youth, and gave women their rights Like driving a car

The prince's leadership qualities

- Take responsibility
- The ability to think properly in times of crisis
- Self-assurance
- Desire and ambition for business success
- Leaders like this can achieve results quickly
- Close supervision.
- Quick decision making

His leadership style

Authoritarian / Commanding / Autocratic Leadership Style

I chose this method because

Mohammed bin Salman took the decision quickly,
decisively, and in the face of corruption

Why did I choose Mohammed bin Salman?

Fighting corruption and recovering billions in order to store the state

Personal style of leadership

Coaching

It is an effective technique because the coach is close and communicating with his team
