PROJECT LEADERSHIP

- **Leader Name** : Manager, Technical Support
Department

Why I select him : for the innovation and inspiration that I receive from him because the period that I spent (5 years) on the Department , get me to improve myself and get chance to be most powerful manager on all the Company

- During his leadership he was energetic and visionary and no limit for success and on my opinion his way was the best way that I ever saw .

- on my opinion , he is **Coaching leadership style** and he is motivate all the team and supervisor all the activity and a great mentor for all the Manager's under his directions and building the right skills

- Why I select this style and that leader :- many projects that need cost and quick decisions that can't be select and run without mentor and trust from the management

- I am democratic Leadership style :- I like to empower my team to get full quality progress and really I like to work on collaborative area
