Assignment (1)

During our study about Leadership, we learned the difference between manager and leader, adding to that we studied traits, and styles of leaders and leadership.

In our first assignment, you will research and write about **a modern project leader** of your choice . Carefully consider his traits, styles, and detect any different situations for his/her leadership in today's organizations.

Your Task

1. Select a leader either a “good example or a bad example.”
2. Research your chosen leader, identifying **evidence** of his/her traits, styles, and leadership situations.
3. Write a **four-paragraph essay** profiling your chosen leader.
 - First, introduce your leader, and state why you selected him/her. Was their leadership effective or not effective?
 - Next, detect the traits and style of your leader, and why you chose that style for him/her?
 - Next, describe the leadership situation your chosen leader was in and so you chose for him that style?
 - Finally, conclude with a short description what is your personal leadership style and how effective it has been for you?

Best of luck..

الواجب الاول

خلال دراستنا في مقرر القيادة في المشاريع، تعلمنا ما هو الفرق بين المدير والقائد، أضف إلى ذلك أننا تطرقنا أيضاً إلى سمات وأنماط القادة والقيادة.

في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

1. حدد قائداً أياً كان "مثالاً جيداً أو مثالاً سيئاً للقيادة".
2. ابحث عن القائد الذي اخترته، وحدد الدليل على سماته وأنماطه ومواقفه القيادية.
3. اكتب مقالاً **من أربع فقرات** يصف القائد الذي اخترته:
 - أولاً، قم بتقديم قائدك، واذكر سبب اختيارك له / لها. هل كانت قيادته فعالة أم غير فعالة؟
 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.
 - أخيراً، اختتم بوصفاً موجزاً لأسلوبك الشخصي في القيادة ومدى فعاليته بالنسبة لك.

مع تمنياتي بالتوفيق....

I still remember the time when my last manager said “ This is your success not mine please let me help you”. He said these words when our department success to cut off 5% of department expenses. He always spread positive energy in our work place. His good communication skills and excellent attitude were the most aspects that the department was needed to achieve our success.

My last manager was an emotional leader who increased harmony between team members. He always gave his priority to his team members. He is very talented and he knows how to gather all team members to work as one team. He knows how to solve any conflict between his team members and his team beats with one heart. I see him as affiliative leader since he give his team first priority over anything.

In my carrier life I have faced many manager yet no one influenced me but him. My last manager was the only manager who can get his employee loyalty very easily. When I resigned from my job, the HR manager tried to delay my resignation process. At that time I had short time to join the new job. My manager saw me sitting depressed in operation room, he asked why I was depressed so I told him about the issue. Then he directly call the excitative regional manager and he explained him my situation and asked him if he could help me. What he did was a shock to me, department head care about newly joined operator and he called regional manager for him. My last manager had his own magic in solving conflict. Operation work in utility company is very stressful and conflict between team members could always happened. However, when conflict happened in our department he as affiliative leader knew how solve it in win- win strategy.

In each work place there are different styles of leaders. Each style has its own pros and cons moreover there is no ideal style of leadership. You should choose your style upon situation of work place and characteristics of team members. However, I see myself as democratic leader. I think it is very important to allow my followers to participate in making decisions, share their opinion and I should listen to them. I believe if I want to get their interest, I should let them be a part of my decisions. And as it says two heads better than one.
