

Midocean University

College of Management

Leader Name: 37881\_ خالد عبيدات

**Each proposal will be evaluated according to the following evaluation criteria:**

|                                                      | Accepted | Refused | Developed | Comment                                                                                                                             |
|------------------------------------------------------|----------|---------|-----------|-------------------------------------------------------------------------------------------------------------------------------------|
| 1- Research Cover                                    | √        |         |           |                                                                                                                                     |
| 2- Research Title                                    | √        |         |           |                                                                                                                                     |
| 3- Introduction                                      |          |         |           | Kindly note that no need for abstracts or chapters all sections should be written in bullet points with numbering in the proposals. |
| 4- Study Problem                                     | √        |         |           |                                                                                                                                     |
| 5- Importance of The Study                           |          |         |           | missing                                                                                                                             |
| 6- Objectives of The Study                           | √        |         |           |                                                                                                                                     |
| 7- Study Questions                                   | √        |         |           |                                                                                                                                     |
| 8- Theoretical Framework                             |          |         |           | It is preferred to draw a diagram showing the independent and dependent variables of the study                                      |
| 9- Theoretical Premises of Study                     | √        |         |           |                                                                                                                                     |
| 10- Research Methodology                             | √        |         |           |                                                                                                                                     |
| 11- Study Tools                                      |          |         |           | missing                                                                                                                             |
| 12- Fields of Study                                  |          |         |           | missing                                                                                                                             |
| 13- List of The References and Preliminary Resources | √        |         |           |                                                                                                                                     |
| 14- General Comments (Optional)                      |          |         |           |                                                                                                                                     |
