COMMUNICATION SKILLS

Instructions:

- يغلق الواجب يوم الإثنين ١ مارس في تمام الساعة ٩ مساءً.
- الواجب سؤال واحد مقالي من ٤ درجات.
- لا تقل عدد الكلمات عن 400 كلمة ولا تزيد عن 600 كلمة.
- الإجابة متاحة باللغة الإنجليزية أو اللغة العربية مع مراعاة أن تكون المصطلحات العلمية باللغة الإنجليزية.
- يُمنع منعاً باتاً نسخ الإجابة من أي مصدر آخر. عكس ذلك، سيتم إلغاء درجة الواجب تماماً.
- يرجى ضرورة تحويل هذا الملف بعد الإجابة إلى صيغة pdf بعد الانتهاء من الواجب ورفعته على المودل.

Instructor's Name: Dr. Merna Emad

Read the story below and, as you evaluate the passage below, consider whether this behavior is appropriate for this professional context.

Mark is a top-performing salesperson at a pharmaceutical supply company. As a reward for his performance, he is treated to a trip to the corporate office in California to meet the chief executive officer, Ms. Mills. Ms.

Mills is known around the office as the “Wicked Witch of the West” because of her short and sometimes abrasive demeanor. Mark’s coworkers share “horror stories” of their encounters with her, stating that she rarely makes eye contact, never smiles, and dislikes being approached unless she initiates the conversation.

Although he is excited to travel, he is also nervous about what he and Ms. Mills might talk about. He prepares by thinking about how he can share his sales strategies and techniques. On the day of the meeting, he waits patiently for Ms. Mills’s assistant to call him into her office. When he is escorted in to meet her, he is shocked to see a petite woman behind the large desk smiling back at him with kind eyes. He approaches, shakes her hand, and waits for her permission to sit. Ms. Mills is nothing like the horrible person they made her out to be. Ms. Mills asks Mark several thoughtful questions about why he is successful, ways the staff can be supported, and how the company fits in with his professional goals. Mark feels more and more comfortable as she leans forward to listen intently to what he is saying. Mark loosens his tie, crosses his legs,

and begins sharing stories of how he feels his immediate supervisor has dropped the ball on more than one occasion and that the team would be better if more money were allocated to incentives and bonuses. Mark immediately sees Ms. Mills's eyes begin to squint and her brow furrow. She stands up abruptly and says in a gruff voice that their time is up and that her assistant will show him out.

Answer the following question accordingly:

1. Given the professional context, what would you have done the same and/or differently if you were in Mark's position?

In my opinion, I handled it the wrong way, but I wouldn't do the same as Mark did

He did not pay attention to non-verbal and verbal communication during the interview.

Professionally, you should focus on the above. Taking into account verbal and non-verbal communication.

A separation must be made between what Mark may have heard from others and what he may see during the interview. The prejudice before the occurrence of the event leads to many gaps during the interview.

2. Do you think Mark accurately evaluated the context? Why or why not?

3. What communication factors led to the change in the chief executive officer's disposition?

4. How could the KEYS process help Mark improve his communication skills?

ترجمة السؤال السابق

اقرأ القصة أدناه، وأثناء قيامك بتقييم القصة أدناه، فكر فيما إذا كان السلوك المُتبع أدناه مناسباً للسياق المهني.

يعمل مارك كمندوب مبيعات ناجح في شركة توريد الأدوية. كمكافأة على أدائه، تم إرساله في بعثة عمل إلى مكتب الشركة في كاليفورنيا للقاء الرئيس التنفيذي، السيدة ميلز.

تُعرف ميلز في المكتب باسم "ساحرة الغرب الشريرة" بسبب سلوكها القاسي في بعض الأحيان. يشارك زملاء مارك في العمل "قصص الرعب" عن لقاءاتهم معها، قائلين إنها نادرًا ما تتواصل بالعين، ولا تبتسم أبدًا، ولا تحب الاقتراب منها ما لم تبدأ المحادثة.

على الرغم من أن مارك كان يشعر بالحماس للسفر، إلا أنه كان قلق أيضًا بشأن ما قد يحدث بينه وبين السيدة ميلز. ولكنه، ركز أن يستعد لعرض استراتيجيات وتقنيات البيع المختلفة في اجتماعه مع ميلز.

في يوم الاجتماع، انتظر بصبر مساعد السيدة ميلز للاتصال به في مكتبها. عندما دخل المكتب للقائها، صُدم لرؤية امرأة صغيرة الحجم خلف المكتب الكبير تبتسم له بعيون لطيفة. يقترب

ويصافحها وينتظر إزنها بالجلوس. السيدة ميلز لا تبدو هذا الشخص المرعب الذي كان يسمع عنه. تسأل السيدة ميلز مارك عدة أسئلة مدروسة حول سبب نجاحه، والطرق التي يمكن بها دعم الموظفين، وكيف تتناسب الشركة مع أهدافه المهنية.

تشعر مارك براحة أكبر لأنها تميل إلى الأمام لتستمع باهتمام لما يقوله. قام مارك بفك ربطة عنقه، ووضع ساق على ساق أثناء المحادثة، وبدأ في مشاركة قصص عن شعوره بأن مديره المباشر قد أسقط الكرة في أكثر من مناسبة وأن الفريق سيكون أفضل إذا تم تخصيص المزيد من الأموال للحوافز والمكافآت. يرى مارك على الفور أن عيون السيدة ميلز تبدأ في التحول. ووقفت فجأة وقالت بصوت خشن أن وقتهم قد انتهى الآن.

أجب عن الأسئلة التالية وفقاً لذلك:

1. بالنظر إلى السياق المهني، ماذا كنت ستفعل الشيء نفسه و / أو بشكل مختلف إذا كنت مكان مارك؟

2. هل تعتقد أن مارك تصرف على نحو دقيق وقيم الموقف بدقة؟ لما ولما لا؟

3. ما هي عوامل الاتصال التي أدت إلى التغيير في تصرف الرئيس التنفيذي؟

4. كيف يمكن لعملية **KEYS** أن تساعد مارك في تحسين مهارات الاتصال لديه؟

1- my opinion, what Mark did was not a professional context at all because he did not evaluate the situation, did not study effective communication, and did not understand what the second party wanted from him when he heard all of what was said to him before the personal interview.

Mark anticipated events and did not think that he could improve his verbal and non-verbal communication in order to gain the director smartly from him, on the contrary, he was deceived by what he saw while entering the director and that he took the outward appearance of her and the effective communication that the director did, and he did not think that it is possible to Have a test from the principal to evaluate it.

If I were Mark, I would have studied the situation, prepared and taken all the possibilities that I might face during the interview, and that I would not be affected by what was said and anticipate the judgment before confronting the situation.

2- Mark never acted accurately because due to the psychological barrier, Mark was unable to pay attention to the other party.

And there was also an early evaluation on Mark's side of what he heard from others about the director, and that led to conclusions from Mark, so there was a reduction in interaction from Mark at the beginning.

The verbal communication that occurred with Mark and the indifference to the way he spoke led to an impediment, inappropriate and lack of information.

We get to that lack of complete confidence in Mark towards himself and the other party.

3- Changing the CEO's behavior due to the wrong nonverbal communication that Mark committed after seeing the manager's interest in what he had said, so he untied his neck and put one leg on one leg during the conversation in an unprofessional manner from him. And also the verbal communication that took place from Mark after he spoke in a way in which there was less interest in articulation and the correct way of producing words and expressions.

And because verbal communication such as the output of speech, its arrangement, tone of voice, and also eye contact may negatively affect if they are used at an inappropriate time.

Nonverbal communication such as body language, emotional expression and gestures can also affect negatively.

1: Know yourself:

Mark should know his strengths and weaknesses, strengthen them, and use his own skills assessment rate in an active manner.

2: Occupational context assessment:

Mark should develop his skills in communicating with groups such as audiences and situations in which they may fall into, proactively addressing, knowing the audience's needs and understanding them.

4: Its Communication Interaction:

Mark should monitor his verbal communication from the tone of his voice and the signals generated from it, and also monitor his non-verbal communication from his body language and outward appearance.

5: Take a step back and think:

Finally, Mark should study and develop types of communication and be encouraged to use them with the public to effectively communicate verbal and non-verbal communication.

To start with the study, application and development.
