الواجب الاول

خلال دراستنا في مقرر القيادة في المشاريع، تعلمنا ما هو الفرق بين المدير والقائد، أضف إلى ذلك أننا تطرقنا أيضاً إلى سمات وأنماط القادة والقيادة.

في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

1. حدد قائداً أياً كان "مثالاً جيداً أو مثالاً سيئاً للقيادة".
2. ابحث عن القائد الذي اخترته، وحدد الدليل على سماته وأنماطه ومواقفه القيادية.
3. اكتب مقالاً **من أربع فقرات** يصف القائد الذي اخترته:
 - أولاً، قم بتقديم قائدك، واذكر سبب اختيارك له / لها. هل كانت قيادته فعالة أم غير فعالة؟
 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.
 - أخيراً، اختتم بوصفاً موجزاً لأسلوبك الشخصي في القيادة ومدى فعاليته بالنسبة لك.

مع تمنياتي بالتوفيق....

(Prince Mohammed Bin Salman)

Everyone in the world can see and feel the major changes occurred in the Kingdom of Saudi Arabia in the past few years because of the successful leader who could drive the change and is willing to achieve the big transformation within the vision of 2030.

Mohammed Bin Salman Bin Abdulaziz Al-Saud, the crown prince of Saudi Arabia, the country's deputy prime minister, the Chairman of the Council for Economic and Development Affairs, the Chairman of the Council of Political and Security Affairs, and Minister of Defense is my inspirational leader who really influences the whole world not only his country by his effective leadership style.

My leader is a true leader because he has set the vision of 2030 of the transformation of the country to be the best one in the world by communicating with his nation who are very happy with these changes and waiting for more. The decisions he made are basically based on his nations' welfare, so he could influence his people positively. Some of these decisions motivate his people to remain happy and satisfied.

The leadership style of my leader is mix of many leadership styles such as:

Affiliative leadership style: He is the one who turned night to day for his people and the proof is that they trust him and their morals went up after he takes over. On the other hand, some of his decisions will be understood incorrectly by some people. For example, when he stated that it is OK for women to go out without ABAYAH, and some women misunderstood by going out with revealing clothes.

Transformational leadership style: As this style focuses on setting a vision for the future, my leader did it as the vision of 2030 and some changes of it have been already made and touched by the people who are encouraged to innovate and dream as their dreams will come true one day by my leader's enhancement and support. On the other hand, some dreams are unrealistic and can't occur such as when he stated that Saudi Arabia will be the new Europe!

The major change that influenced me the most is that when he decided to give Saudi women their civil rights which guarantee equal social opportunities and protection between men and women under the law. For example: government services such as issuing passports, travelling alone without legal permission and also drive the car.

I believe that the successful leadership is a combination of hard and soft skills and as it appears by nature, I believe also that it could be learnt and practiced to make a positive effectiveness. If you see group members where everyone is doing his job properly and in time, you have to make sure that these people are being led by a true leader who could affect these people positively and they are driven by trust and loyalty.
