- الحل يكون على هذا النموذج الخاص بالجامعة فقط ولن تقبل أي مستندات أخرى.

Instructor's Name:

Dr. Sara Adel

Assignment (1)

During our study about Leadership, we learned the difference between manager and leader, adding to that we studied traits, and styles of leaders and leadership.

In our first assignment, you will research and write about **a modern project leader** of your choice . Carefully consider his traits, styles, and detect any different situations for his/her leadership in today's organizations.

Your Task

1. Select a leader either a “good example or a bad example.”
2. Research your chosen leader, identifying **evidence** of his/her traits, styles, and leadership situations.
3. Write a **four-paragraph essay** profiling your chosen leader.
 - First, introduce your leader, and state why you selected him/her. Was their leadership effective or not effective?
 - Next, detect the traits and style of your leader, and why you chose that style for him/her?
 - Next, describe the leadership situation your chosen leader was in and so you chose for him that style?
 - Finally, conclude with a short description what is your personal leadership style and how effective it has been for you?

Best of luck..

الواجب الاول

خلال دراستنا في مقرر القيادة في المشاريع، تعلمنا ما هو الفرق بين المدير والقائد، أضف إلى ذلك أننا تطرقنا أيضاً إلى سمات وأنماط القادة والقيادة.

في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

1. حدد قائداً أياً كان "مثالاً جيداً أو مثالاً سيئاً للقيادة".
2. ابحث عن القائد الذي اخترته، وحدد الدليل على سماته وأنماطه ومواقفه القيادية.
3. اكتب مقالاً **من أربع فقرات** يصف القائد الذي اخترته:
 - أولاً، قم بتقديم قائدك، واذكر سبب اختيارك له / لها. هل كانت قيادته فعالة أم غير فعالة؟
 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.
 - أخيراً، اختتم بوصفاً موجزاً لأسلوبك الشخصي في القيادة ومدى فعاليته بالنسبة لك.

مع تمنياتي بالتوفيق....

1. Select a leader either a “good example or a bad example.”
2. Research your chosen leader, identifying **evidence** of his/her traits, styles, and leadership situations.
3. Write a **four-paragraph essay** profiling your chosen leader.
 - First, introduce your leader, and state why you selected him/her. Was their leadership effective or not effective?
 - Next, detect the traits and style of your leader, and why you chose that style for him/her?
 - Next, describe the leadership situation your chosen leader was in and so you chose for him that style?
 - Finally, conclude with a short description what is your personal leadership style and how effective it has been for you?

Ghazi Al-Gosaibi

Widely admired in Saudi Arabia for his many-faceted career, his charismatic character, his thought-leadership, his contributions as a writer and poet, his role in establishing the Disabled Children Society, and his service to his country, Al-Gosaibi is recognized by GPCA for his pioneering role in establishing a basic chemical industry in Saudi Arabia and laying the path that has led to the flowering of a robust private and state-owned Saudi chemical sector. His personality and leadership in each ministry he headed had resulted in great results, improvement, and development. In addition to the effectiveness of his personal leadership.

Al-Gosaibi has a different leadership style, it differs according to the ministry or position he occupies. He was affiliative and democratic most of the time where the people who work under him were motivated and influenced because of him also for his coaching style. Regardless of that leadership style, he was also as strict when he was a minister for Health ministry where the mistake was not allowed and Patient comfort is the goal.

played a prominent role in the modernization of many aspects of Saudi life. His most significant contribution as Minister of Industry and Electricity (1976-1983) was the creation of Saudi Basic Industries Corporation (SABIC). As head of MIE and as Chairman of SABIC, Al-Gosaibi set the

foundations for SABIC and launched it upon a path of development. In addition, he was a listener, energetic, diligent, responsible, honesty, high hopes, and patient.

Finally, I lean a lot on a leadership style that depends on motivation and influencing my team and I motivate others by both extrinsic and intrinsic. But I really have a different leadership style it depends on the team I have to lead and the situation I go through of the project and its critically.

I prefer to be either democracy and affiliative leader most of the time, moreover, these styles are effective for me.
