في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

1. I selected a good example of leadership “ Warren Buffett “.
2. Warren Buffett evidence of his traits, styles, and leadership situations are:
 - He always loves what he does.
 - He communicates effectively.
 - He chooses his business associates wisely.
 - He Doesn't micromanage things.
 - Plan for the future.
 - Patience.
 - Manage the time wisely.

3. Warren Buffett paragraph:

Warren Buffett is an American investor, business tycoon, philanthropist, and the chairman and CEO of Berkshire Hathaway. He is considered one of the most successful investors in the world and has a net worth of over US\$85.6 billion as of December 2020, making him the world's fourth-wealthiest person. I selected him because he self-made businessman who started in 1956 his company (Berkshire Hathaway). He leads his company (Berkshire Hathaway), from 1956 until now! So, in my opinion, he effective.

Warren Buffett considers being a transformational leadership style. I pick this style because a transformational leader is a strong leadership style and this type of leader always walks with the employees. They motivate and encourage the employees to make a call. He even celebrates the achievements of his employees and comforts them in their failures. All these qualities add up to be evident in the characteristics of Warren Buffett. Warren Buffett is supportive and a thinker who always pushes his employees to be successful in their respective working sectors.

Warren Buffett gives freedom to his employees, he did not force his employees to take up projects they did not want and he gave freedom for his employees to chose their work. Besides that, he also gave positive and negative feedback to his employees, by giving his employees feedback they would feel more needed in their jobs. They will also know their mistakes and learn from them. Warren Buffett communicates and listens to his team, as well as showing interest in his subordinates and their work. By him communicating, listening to his team, and showing interest in his subordinates he has encouraged his employees to work because they would feel that their boss is caring for them and taking care of them.

My leadership style building on trust I always looking for people I can trust, after that I will try my team in more than one saturation before I give everyone responsibility that fits with his/her skills.
