Dear new colleague,
I trust my email finds you well safe and protected

First of all, I want to introduce myself and I would like to start by welcoming you to our college. My name is Hashem, I'm 30 years old from Saudi Arabia. Our college is one of the top 10 in the country. Your experience here will be unforgettable. You will get to meet a lot of people from all over the world, as we have a diverse community on campus. The life style here may be a little different from other places. However, it's full of new experiences that you can gain. We have many facilities such as gym, food court and library. All the facilities are free and you can enjoy their services during working hours. Most of us here are singles but we are one family and you are one of this family.

I'm attending the business college, if you ever need any help do not hesitate to ask me.
Finally, I want to wish you a wonderful stay with an amazing experience.

Best Regards,
Hashem Shaiban
