Dear Celin

I am very happy to have a greet new person in our company. I am lama linai from the department of decoration. I loved this section because I admired the art and design. I'm married and I have three children. Sometimes I am unable to help my children and take care of my job because there is no good time management. I'm Turkish by nationality and I live in it. I take most of ideas and drawings from nature because it provides me with a broad thought and a wonderful imagination. I love to visit places and discover exotic foods. We in the decoration department work as one team helping each other. We aspire to become a global company and we are looking forward to that.

With sincere appreciation and respect,

Lama
