

Dear Asma

I'm sending you the email with reference to the advertisement number-1236, given by your company for the post of software developer (fresher) in the leading daily newspapers also in your company's official website I am interested in applying for the post as I have graduated as computer Science engineer in the year 2019.

I would like to mention that I have been the topper or the stream in my college and have also received gold medal from the University for scoring highest marks in the calendar year 2015-2016. I have deep passion for computers and I would love to do team work for the development of new software which will benefit the human beings.

I had always thought of working with once of the top Silicon Valley company . It will be an opportunity of a lifetime for me and I can assure you to give my level best in case if I am selected for giving my services to your company .

I'm herewith attaching a copy resume with this e-mail . I will eagerly wait for the interview call from your company.

Thanking you,

yours Sincerely
