Dear college,

Good Morning,

My name is Saif Ali, I am from Saudi Araba, I live in Jeddah with my family, I just married one year ago, I have one child, I was born in 1993, I am now 27 years old, my favorite sport is football, my favorite hobby is reading, these days I work hard and spend all time at working.

In fact, we used to enjoy live more. Nowadays, I just go to the company in the morning and come home in the evening. I don't enjoy my job anymore, but as usual we need to work to provide suitable live, we don't go out as often as we used to, we used to go to the cinema one a month. Now we go to see movie only once a year, also we used to visit our friends all the time, now we never see them.

So I think seriously that we should customize some times to go cinema or play football with friends, I need to enjoy some freedom, as freedom is the most precious think in life.

I believe that if I do that, I will acquire positive energy and enjoy my work as before, I will be clever and reliable person person instead of careless or ignorant one.

Thanks and best regards

Saif Ali Alzahrani
