Hello, good evening, how are you, Alia?

My name is Amna, I am 24 years old

I am from Bahrain, I live in Saudi Arabia, I am married and have 3 children, 1 girl and 2 boys.

I'm a student at the university

My hobbies are cooking and photography

I wake up every day at 10 am eating breakfast with my children, then I study my son in kindergarten, then I do sports with my children, then I study at university for 3 hours, which is more routine.

Amnah
