Instructor's Name:

Dr. Sara Adel

Assignment (1)

During our study about Leadership, we learned the difference between manager and leader, adding to that we studied traits, and styles of leaders and leadership.

In our first assignment, you will research and write about **a modern project leader** of your choice . Carefully consider his traits, styles, and detect any different situations for his/her leadership in today's organizations.

Your Task

1. Select a leader either a “good example or a bad example.”
2. Research your chosen leader, identifying **evidence** of his/her traits, styles, and leadership situations.
3. Write a **four-paragraph essay** profiling your chosen leader.
 - First, introduce your leader, and state why you selected him/her. Was their leadership effective or not effective?
 - Next, detect the traits and style of your leader, and why you chose that style for him/her?
 - Next, describe the leadership situation your chosen leader was in and so you chose for him that style?
 - Finally, conclude with a short description what is your personal leadership style and how effective it has been for you?

Best of luck..

الواجب الاول

خلال دراستنا في مقرر القيادة في المشاريع، تعلمنا ما هو الفرق بين المدير والقائد، أضف إلى ذلك أننا تطرقنا أيضاً إلى سمات وأنماط القادة والقيادة.

في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

1. حدد قائداً أياً كان "مثالاً جيداً أو مثالاً سيئاً للقيادة".
2. ابحث عن القائد الذي اخترته، وحدد الدليل على سماته وأنماطه ومواقفه القيادية.
3. اكتب مقالاً من أربع فقرات يصف القائد الذي اخترته:
 - أولاً، قم بتقديم قائدك، واذكر سبب اختيارك له / لها. هل كانت قيادته فعالة أم غير فعالة؟
 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.
 - أخيراً، اختتم بوصفاً موجزاً لأسلوبك الشخصي في القيادة ومدى فعاليته بالنسبة لك.

مع تمنياتي بالتوفيق....

In this assignment, I decided to choose Prince Mohammed bin Salman, the crown prince of Saudi Arabia as a good example of leadership, he is a young man with great vision and goals that he seeks to achieve to develop his country and strengthen its position in the world. Although his young age especially for such a critical position as the crown prince of Saudi Arabia but he proofed his intelligence and capability of handling this position and executed great decisions and rules in a different field, in comparison that he is in his position for just a small period, I think he succeeded in his rule so far as a leader for a great country.

We can say for sure that Prince Mohammed bin Salman a transformational leader who inspires his people toward following a long-term vision and achieving great goals that no one were expecting that these goals could be done in this short time, he is an honest man with a clear vision, inspiring spirit, and promising talks.

I was touched by Prince Mohammed since I started to see different goals that he talked about achieving it during few years although many people were doubting either we can do it or not and finally he proofed his words which made me trust him in following his vision believing that we can reach it however difficulties we will face.

If can describe my leadership style, I will say the democratic style and I prefer to participate with people around me in the decision process and listen to them each on his field trying to reach the best decision, I believe that sharing the decision with the team encourage them and help to get their support during the execution. this style mostly efficient with me as long as I am maintaining a good relationship within my surrounding environment and help me in explore different perspectives and reach great results in executing my plans by making the surrounding feel as they participated in taking the decision.
