Principle of management

Instructor's Name: **DR. MAGDY ALHAJ**

(Discuss the retaliation ship between Functions of Management and function of project))

First: The functions of management

The functions of management are multiple, and the primary goal of implementing these functions is to use the human and

material capabilities provided in the organization to the best use and create the appropriate atmosphere in order to operate all available resources to the maximum possible capacities to achieve the desired goals at the lowest costs, taking into account the human aspects in dealing with the human element and achieving the greatest It is possible to collaborate on the project through:

_1 _ Planning

_2 _ Organization

_3 _ Guidance and supervision

_4 _ Censorship

Second: The functions of the project

mean the group of activities related to the nature of the institution's activity, which vary according to the nature of the activity that the institution engages in
