- الحل يكون على هذا النموذج الخاص بالجامعة فقط ولن تقبل أي مستندات أخرى.

Instructor's Name:

Dr. Sara Adel

Assignment (1)

During our study about Leadership, we learned the difference between manager and leader, adding to that we studied traits, and styles of leaders and leadership.

In our first assignment, you will research and write about **a modern project leader** of your choice . Carefully consider his traits, styles, and detect any different situations for his/her leadership in today's organizations.

Your Task

1. Select a leader either a “good example or a bad example.”
2. Research your chosen leader, identifying **evidence** of his/her traits, styles, and leadership situations.
3. Write a **four-paragraph essay** profiling your chosen leader.
 - First, introduce your leader, and state why you selected him/her. Was their leadership effective or not effective?
 - Next, detect the traits and style of your leader, and why you chose that style for him/her?
 - Next, describe the leadership situation your chosen leader was in and so you chose for him that style?
 - Finally, conclude with a short description what is your personal leadership style and how effective it has been for you?

Best of luck..

Max is a lead sales manager in the middle east. He manages of two sales representatives in two different countries. I have chosen Max because I have witnessed his leadership and he fits many characters as a leader. However, his leadership is not effective.

Max has many good traits such as having a great knowledge of the business field, desire to lead and most importantly being intelligent. Nonetheless, Max has plenty of bad traits that are affecting others such as the lack of self-confidence, determination, consistency and guidance. Moreover, Max's leading style is a combination of commanding and pacesetting.

A commanding leader demands quick actions and results. A pacesetting leader expect a self-direction and excellence. Max leadership is a combination of these two styles. He doesn't give guidance and direction to his employees, expects them to direct themselves. Furthermore, he demands quick actions during crisis with low self-confidence. As a result, this developed a negative atmosphere. The 2 sales representatives turned out to have low self-steam and unmotivated to work due to the negative climate caused from their leader.

My personal leadership style is a combination of visionary and affiliative. This has been working perfectly for me. I always set my team up with a long-term vision of our work which gives them a clear direction. Accordingly, they would have guidance and mobility to reach the end goal. Additionally, I like to create a bond within my team which makes them more motivated, as well as helping me understand them better to lead them better in a positive climate.

الواجب الاول

خلال دراستنا في مقرر القيادة في المشاريع، تعلمنا ما هو الفرق بين المدير والقائد، أضف إلى ذلك أننا تطرقنا أيضاً إلى سمات وأنماط القادة والقيادة.

في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

1. حدد قائداً أياً كان "مثالاً جيداً أو مثالاً سيئاً للقيادة".
2. ابحث عن القائد الذي اخترته، وحدد الدليل على سماته وأنماطه ومواقفه القيادية.
3. اكتب مقالاً من أربع فقرات يصف القائد الذي اخترته:
 - أولاً، قم بتقديم قائدك، واذكر سبب اختيارك له / لها. هل كانت قيادته فعالة أم غير فعالة؟
 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.
 - أخيراً، اختتم بوصفاً موجزاً لأسلوبك الشخصي في القيادة ومدى فعاليته بالنسبة لك.

مع تمنياتي بالتوفيق....
