Dear Jaber

I am very happy to be at the university, and I would like a little bit to talk to you about myself, I am Mona from Saudi Arabia, I love reading books very much in the evening, especially the novels of the

author Paulo Coelho, and sometimes I spend some time walking in the park near my house in the afternoon, on holidays, I do not like crowded and noisy places, I prefer to go to areas far from the city, because I find a lot of calm and relaxation there, we have a farm owned by the family, I usually spend a lot of time there, if you need any help, contact me and also do not worry, colleagues at the university are cooperative We have wonderful professors who are very flexible in dealing with us.

I would like to invite you to join us, the students, we will have a birthday party for our colleague Ahmed from Egypt, on the fourth of March, there will be a lot of fun, we all look forward to meeting you if your time permits

best wishes
Mona.
