Assignment (1)

During our study about Leadership, we learned the difference between manager and leader, adding to that we studied traits, and styles of leaders and leadership.

In our first assignment, you will research and write about **a modern project leader** of your choice . Carefully consider his traits, styles, and detect any different situations for his/her leadership in today's organizations.

Your Task

1. Select a leader either a “good example or a bad example.”
2. Research your chosen leader, identifying **evidence** of his/her traits, styles, and leadership situations.
3. Write a **four-paragraph essay** profiling your chosen leader.
 - First, introduce your leader, and state why you selected him/her. Was their leadership effective or not effective?
 - Next, detect the traits and style of your leader, and why you chose that style for him/her?
 - Next, describe the leadership situation your chosen leader was in and so you chose for him that style?
 - Finally, conclude with a short description what is your personal leadership style and how effective it has been for you?

Best of luck..

الواجب الاول

خلال دراستنا في مقرر القيادة في المشاريع، تعلمنا ما هو الفرق بين المدير والقائد، أضف إلى ذلك أننا تطرقنا أيضاً إلى سمات وأنماط القادة والقيادة.

في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

1. حدد قائداً أياً كان "مثالاً جيداً أو مثالاً سيئاً للقيادة".
2. ابحث عن القائد الذي اخترته، وحدد الدليل على سماته وأنماطه ومواقفه القيادية.
3. اكتب مقالاً **من أربع فقرات** يصف القائد الذي اخترته:
 - أولاً، قم بتقديم قائدك، واذكر سبب اختيارك له / لها. هل كانت قيادته فعالة أم غير فعالة؟
 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.
 - أخيراً، اختتم بوصفاً موجزاً لأسلوبك الشخصي في القيادة ومدى فعاليته بالنسبة لك.

مع تمنياتي بالتوفيق....

Abdullah bin Abdulaziz Al Saud

King Abdullah is one of many sons of king Abdulaziz. He ruled the kingdom of Saudi Arabia after King Fahad's death in 1996. He was known with his strong religious, ethical, rational personality and strong presence which helped him to be a strong leader. His leadership skills towards the kingdom were effective due to a lot of changes that happened specifically in two areas. In my opinion, his leadership was very effective which made him known between the people as founder of modern Saudi Arabia.

King Abdullah's integrity and rationality helped him to set a goal and achieve it to develop the health sector, educational sector and the religious sector. The leadership style King Abdullah was following is the Transformational Visionary Leadership style. He inspired the young community to educate themselves and welcomed more hosts to visit Al-Masjid al-Haram by developing the structure of the mosque itself and funding more in the health sector. He had goals that helped him to reach his main goal, which was to educate the community by aiming towards the younger generation and keeping the religious part active more than ever by increasing the number of people who visit the holy mosque every year, which led us to the start of new Saudi Arabia.

When King Abdullah ruled, most of the people had poor educational skills and a close mentality attached with strong religious considerations. He aimed to change that by educating them more but not forgetting the religious side. Primary, he focused on making changes and communicating with people at the same time. He had a positive vision towards the future of the kingdom of Saudi Arabia that let him to be considered as a strong transformational leader.

In conclusion, King Abdullah was a good role model as a transformational leader, which led me to think that by putting a strong base plan, you can achieve your vision. Currently, I believe that by following different kinds of leadership skills at the appropriate time, they will get you to the vision that you wish to create. Therefore, I have decided to adapt to different situations by choosing the correct leadership skills every time that fits the situation and that have been working well with me currently until I decide which leadership skills I want to stick to and adapt with it.
