PROJECT LEADERSHIP

Assignment (1)

During our study about Leadership, we learned the difference between manager and leader, adding to that we studied traits, and styles of leaders and leadership.

In our first assignment, you will research and write about **a modern project leader** of your choice . Carefully consider his traits, styles, and detect any different situations for his/her leadership in today's organizations.

Your Task

1. Select a leader either a “good example or a bad example.”

2. Research your chosen leader, identifying **evidence** of his/her traits, styles, and leadership situations.
3. Write a **four-paragraph essay** profiling your chosen leader.
 - First, introduce your leader, and state why you selected him/her. Was their leadership effective or not effective?
 - Next, detect the traits and style of your leader, and why you chose that style for him/her?
 - Next, describe the leadership situation your chosen leader was in and so you chose for him that style?
 - Finally, conclude with a short description what is your personal leadership style and how effective it has been for you?

In today's changing world, fear and uncertainty prevail in business organizations. He is a leader by nature has a self-confident and quality in every step he is heading to. Shadowing his father since a young age. From a royal family his grandfather king Abudulaziz who gather his people and diverse tribe, ethnicity, and different raise in one direction, so the country named by the family royal name. He has leader by nature from grandfather to his father to his son. All leadership style are confirm in his will power in every leadership traits.

Mohammed Bin Salam bin Abdulaziz Al Saud born 31 August 1985. Colloquially known as MBS. Is the crown prince of Saudi Arabia he is currently serving as the country's deputy prime minister this title of prime minister held by the king his father Salman bin Abdulaziz . In addition, he is a chairman of the council for economic, development affairs, chairman of the council of political, security affairs, and minister of defense. The world's youngest at the time of his appointment, he has been described as the power behind the thrones of his father king Salman he was appointed crown prince in June 2017 designate to the throne. He has led several successful reform, which include regulation restricting the power of the religious police removal of the ban on female drivers in June 2018. Also increased presence of women in the workforce

and opening the country to international tourists by introducing an e-visa system allowing foreign visa to apply for issued via internet. Therefore, his vision 2030 program aims to diversify the Saudi economy through investment in non-oil sector including technology and tourism. Also in 2016, he announced plans to list the share of the state oiled company Saudi Aramco.

Mohammed bin Salam significantly restricted the power of the religious police he established an entertainment authority that began hosting comedy shows, professional wrestling event, and monster truck rallies. In addition, he give a power to women and appointed first women to head the Saudi stock exchange. MBS announced a project to build one of the world's largest cultural, sport and entertainment cities in AL Qidiya, reopen Cinema after 40 years. Also became legally possible for Saudi women to open their own business without a male permission. Also according to the Saudi information ministry 2018, mother in Saudi Arabia became authorize to retain immediate custody of their children after divorce without having to file any lawsuits. He served the human right also has won audits from western eider for some of the reforms he has overseen in the conservative Gulf kingdom, including lifting the ban on women driving and seeking to diversify the economy. Some opponent outsider has heavily criticized for pursuing a war in neighboring Yemen, but it will help to get rid of Al Houthi troops and stable the regime in Yamen that is good for the future Yemeni people who severing from the terrorist group with heavily armed. MBS lunch a military campaign in Yamen in March 2015 align with other Arab States. They intervined after the Houthi rebel movement, which they see as an Iranian proxy war. Mohammed bin Salam was among the Top 10 on time 100 most influential people in 2018. On 30 January 2019, the Saudi government announced the conclusion of Anti-corruption committee's work.

MBS has criteria of leadership style in every direction he heading for. Listener to who have a less power in the community, lovable to the young generation. Many people see him as hero of the country, energetic to make change, create the vision in 2030, assertive in his administration on war in Yamen, alert of economy of this Kingdom, and cut the corruption, honesty to his people to bring a bright future to his Kingdom. Aim to stop the Houthi group and Tolerance by Yamani people. This leader create the transformation to this country by finding different source non-oil profit. Transformation to regulation in government sector. Shift Saudi Arabia in next few year to one of the top country by education and healthcare. He helped many damage countries in every disaster. Volunteer of Saudi Arabia in Humanitarian always the first country serve by funding a different resource; money or send a medical supply or goods such as houses and foods. He is a good example of a good leader with brilliant leadership skills. Also was notable leader in word news on Televisions, newspaper, and cover page of top successful magazine. He is inspiring leader to his people to work hard and achieve the standards of his vision quickly, and people are respond to make development in industrial and in international organization.

“Our country is rich in its natural resources. We are not dependent solely on oil for our energy needs. Gold, phosphate, uranium, and many other valuable minerals found beneath our lands. But our real wealth lies in the ambition of our people and the potential of our younger generation”. We will immediately adopt wide-ranging transparency”.

In conclusion, his democracy style in his traits are effective, because we see a shift of women and entertainments in the society. Saudi Arabia is the land of the Two Holy Mosques, which positions the Kingdom at the heart of Arab and Islamic worlds. At the same time, the Kingdom is using its investment power to create a more diverse and sustainable economy.

Thirdly, the Kingdom is using its strategic location to build its role as an integral driver of international trade and to connect three continents: Africa, Asia and Europe. The crown prince of Saudi Arabia has been making ground-breaking global waves following his vision 2030. Known for his charisma and good deeds. Great man with fully trust to his people to make progress he mentioned will power we have exactly like this mountain he point to Twaiq Mountain to be nation builders motivator and inspiring in organizational performance, as one of the founders and developers of the great age of modern Saudi reveal and renaissance. Fulfilled with great care and diligence every responsibility.
