Assignment (1)

During our study about Leadership, we learned the difference between manager and leader, adding to that we studied traits, and styles of leaders and leadership.

In our first assignment, you will research and write about **a modern project leader** of your choice . Carefully consider his traits, styles, and detect any different situations for his/her leadership in today's organizations.

Your Task

1. Select a leader either a “good example or a bad example.”
2. Research your chosen leader, identifying **evidence** of his/her traits, styles, and leadership situations.
3. Write a **four-paragraph essay** profiling your chosen leader.
 - First, introduce your leader, and state why you selected him/her. Was their leadership effective or not effective?
 - Next, detect the traits and style of your leader, and why you chose that style for him/her?
 - Next, describe the leadership situation your chosen leader was in and so you chose for him that style?
 - Finally, conclude with a short description what is your personal leadership style and how effective it has been for you?

Best of luck..

الواجب الاول

خلال دراستنا في مقرر القيادة في المشاريع، تعلمنا ما هو الفرق بين المدير والقائد، أضف إلى ذلك أننا تطرقنا أيضاً إلى سمات وأنماط القادة والقيادة.

في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

1. حدد قائداً أياً كان "مثالاً جيداً أو مثالاً سيئاً للقيادة".
2. ابحث عن القائد الذي اخترته، وحدد الدليل على سماته وأنماطه ومواقفه القيادية.
3. اكتب مقالاً من أربع فقرات يصف القائد الذي اخترته:
 - أولاً، قم بتقديم قائدك، واذكر سبب اختيارك له / لها. هل كانت قيادته فعالة أم غير فعالة؟
 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.
 - أخيراً، اختتم بوصفاً موجزاً لأسلوبك الشخصي في القيادة ومدى فعاليته بالنسبة لك.

مع تمنياتي بالتوفيق....

Introduction to Dr. Martin Luther King Jr.

Dr. Martin Luther King Jr is an African American who lead the civil rights movement in nonviolent way to reform the system and advance the ideas of equality among the people. He was considered as charismatic leader who used powerful oratory, an engaging personality, and unwavering commitment to positive change in the lives of millions of people.

Having strong verbal ability, perceptual ability, and reasoning appears to make one a better leader (Northouse, 2016). His verbal ability was extremely strong. The “I Have a Dream” speech was delivered during the march on Washington where he called for an end to racism. Possessing self-confidence is also a major trait for a leader to possess. Self-confidence is the ability to be certain about one’s competencies and skills (Northouse, 2016). If you are confident in your actions then you will gain the trust of your followers.

No one wants to be guided by someone that is unsure and incompetent. As a leader, they must be confident in themselves to make the right decisions at the right time. Dr. King’s confidence and poise drew followers. He was confident in his abilities to lead the African American community to one day be treated equal. Had Dr. King lacked self-confidence he would not have been able to change the lives of the African American people. Dr. King did not let any negatives against him stop him from achieving greatness. Dr. King was determined to fulfill his dream of one day being treated as equal. His drive and passion inspired others to follow him. Even when times were rough and he was put into prison, he still did not waiver.

He continued his nonviolent journey for the African American people. Dr. King put himself and dangerous situations for his people and he gave it all.

Actually, Dr. King was role model for me where I could use the power of words to lead people to accomplish the tasks undergone and to close them on time. I am having an excellent time to coach my subordinates in the scenes that the knowledge of the thing can lead to an big impact on the performance. Being the fifth year in the leadership position, I would say that I have managed to get people performed extra ordinary in completing their assigned tasks on time.
