خلال دراستنا في مقرر القيادة في المشاريع، تعلمنا ما هو الفرق بين المدير والقائد، أضف إلى ذلك أننا تطرقنا أيضاً إلى سمات وأنماط القادة والقيادة.

في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

1. حدد قائداً أياً كان "مثالاً جيداً أو مثالاً سيئاً للقيادة".
2. ابحث عن القائد الذي اخترته، وحدد الدليل على سماته وأنماطه ومواقفه القيادية.
3. اكتب مقالاً **من أربع فقرات** يصف القائد الذي اخترته:
 - أولاً، قم بتقديم قائدك، واذكر سبب اختيارك له / لها. هل كانت قيادته فعالة أم غير فعالة؟
 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.
 - أخيراً، اختتم بوصفاً موجزاً لأسلوبك الشخصي في القيادة ومدى فعاليته بالنسبة لك.

Abdlullah Salman Al-Matrood

Abdullah was born in Saihat, in 1924. He lived as a poor man, he suffered the pain of poverty and deprivation. He was thinking about his self and his life with his family. He was looking forward to a better future. He was searching for a job. Then, he found a job at Saudi Aramco. He worked at the laundry with low salary. Abdullah learned quickly how to manage his work. Unfortunately, due to issues between him and his manager, he had one option which is leaving his job. Then, he started to think about his own business with buying Cows and other animals by the assistance from his friends, he borrowed money from them until he had his own money. He established a Dairy factory. Abdullah is the most important successful man in his society because he spent most of his life supporting business and charitable activities. Also, he was known as "Father" because he spent his money on orphan, needy people and treated them like his children. Moreover, he had a lot of activity in our society such as established Saihat Society for Social Services with a health care Clinic, and he established factory for the manufacture of bread, corn flakes, and other products. In my opinion, his Leadership was effective because the people still remembering him and they are speaking about what he done to the society. Abdulllah Salman Al-Matrood is a successful leader in this article which i will write about his traits, style of Leader, and Situation Leader.

First, Abdulllah Leadership style can be Transformer, visionary style. Therefore, he had a positive vision for the future, inspire followers to achieve goals. According to his life story, he had a vision for the future to change his living style to a better life and help needed people to continue their studies and inspire them to achieve goals. Also, he can be Charismatic style because he had to articulate the vision, and willing to take risks to achieve the vision. Besides, his Leadership had intelligence, self-confidence, and desire to lead. For example, he thinks about his own business with buying Cows and other animals by the assistance of his friends and borrowing money which is a risk until he had his own money and creating Dairy factory.

Second, the Leader Situation for Abdulllah Leadership is telling and directive, also he can participate and support. For example, he engaged to make a decision and information for developing the business. Furthermore, he always participates at Saihat Society for Social Services, and Al-khalij Club to provide a feedback for development.

In conclusion, my style is Democratic and it is effective for me because I am eager to share the knowledge, and to work with group of different skills and knowledge; to create and develop professional, perfect, and successful outcomes. For example, I allowed for my team in work to participate and speak freely of their opinion and to share the knowledge so we will reach a conclusion and decision by the agreement of everyone.
