Alphabetized List of Shortcuts:

- **AI** Artificial Intelligence
- **CV** Computer Vision
- **DL** Deep Learning
- **LLMs** Large Language Models
- **ML** Machine Learning
- **NLP** Natural Language Processing
- **NSDAI** National Strategy for Data and Artificial Intelligence
- **PMBOK** Project Management Body Of Knowledge
- **PMI** Project Management Institute
- **PMIS** Project Management Information System
- **RL** Reinforcement Learning
- **SDAIA** Saudi Data and Artificial Intelligence Authority

Comment:

The original list of shortcuts should be **rearranged alphabetically** (based on the acronym, not the full form) to improve readability and make it easier to locate specific terms.

Alphabetizing lists is a standard practice in glossaries, indexes, and reference materials to ensure quick access and consistency.
