

In the research title, consider specifying the type of financial accounting process and the particular AI techniques being used.
The review of each existing study is shallow; further critical analysis is required, and each study should include the research objective, methodology, and quantitative results whenever possible.
Ensure that in-text citations are provided for each reviewed study.

Research Methodology in Computer Science (AI800)

Assignment 1 Rubric

Weighting: 20%

19/23

17/20

Criteria	Marks	Description
