في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

## مهمتك هي:

  - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
  - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.

Very few people are as synonymous with their industry as what Bill Gates is with information technology (IT).

In 1975, Gates and Allen co-founded Microsoft. The two poured everything they had into it. Gates' incredible vision, aggressive business strategy and unrivaled work ethic made Microsoft the world's biggest technology company. In the process, he became incredibly wealthy.

For more than two decades, Gates has routinely ranked among the richest people in the world, and in 2016, Forbes trumped this by ranking him as the richest man in the world. However, those riches did not come without sacrifice.

Bill Gates offers a more participative leadership style. He believes in the value of input from his employees for overall company success. The driving force behind the success of Microsoft is the enthusiastic and hardworking attitude of Bill Gates. He understands that in business you will have fluctuations and changes that you must adapt to in order to succeed. With this business attitude, Gates has created a company that has been able to withstand the storm and still come out on top as a shining star. Through the process of delegation of tasks, Gates was able to develop a company that utilizes the skills of his team members to the fullest.

It was not until the age of 13 that Bill saw his first computer at school. He actually paid to use it, and when his money ran out, he hacked into the computer to use it free. At this point, you could say young Bill was destined for an innovative career in IT.

I am an IT Procurement and Contracts Manager in ELM Company and I am managing big teams. My leadership style is Affiliative style.
