Best of luck..

الواجب الاول

خلال دراستنا في مقرر القيادة في المشاريع، تعلمنا ما هو الفرق بين المدير والقائد، أضف إلى ذلك أننا تطرقنا أيضاً إلى سمات وأنماط القادة والقيادة.

في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

١. حدد قائداً أياً كان "مثالاً جيداً أو مثالاً سيئاً للقيادة".
٢. ابحث عن القائد الذي اخترته، وحدد الدليل على سماته وأنماطه ومواقفه القيادية.
٣. اكتب مقالاً **من أربع فقرات** يصف القائد الذي اخترته:
 - أولاً، قم بتقديم قائدك، واذكر سبب اختيارك له / لها. هل كانت قيادته فعالة أم غير فعالة؟
 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.
 - أخيراً، اختم بوصفاً موجزاً **لأسلوبك الشخصي في القيادة ومدى فعاليته بالنسبة لك**.

مع تمنياتي بالتوفيق....

Mark Zuckerberg

Mark Zuckerberg is one of the most successful modern project leaders in the world. He is the co-founder and CEO of the social-networking website Facebook, and one of the world's youngest billionaires. The truth about Mark Zuckerberg and his leadership is much more difficult than I can include in this short essay. He is passionate about what he makes, and he holds values that he wants to place to others within their company, and the world as a whole. His transformational leadership style motivates and encourages people to take on different challenges. Therefore I chose to talk about Mark Zuckerberg as I think he is the best modern project leader in the whole world.

Mark Zuckerberg represents the transformational leadership style in action. He is portrayed as supportive and aggressive. A person who always requires continuous innovation and growth, he loves contests and challenges. He practices three styles of leadership (autocratic, democratic, and laissez-faire). He calls his employees to do their work but also regularly asks for feedback from everybody. He believes in his employees and treats them fairly. As a transformational leader, Mark Zuckerberg has learned from his errors, takes risks, and has developed his organization as a visionary leader. Through confidence, self-awareness, and by the help of mentors, Mark Zuckerberg has been placed on the top 10 CEOs list and has created the most successful social network in the world. Zuckerberg's transformational leadership style continues to move Facebook to a hopeful future. He has grown as a leader and he knows and motivates continued extension within his organization. His transformational leadership style can be described as aggressive, requiring, innovative, and supportive. As a leader who appreciates friendly debates, he gives his employees chances to offer product developments and suggestions for Facebook. Zuckerberg realizes and agrees that he has made many mistakes within his organization, but as a transformational leader, he tries to change those mistakes into growth chances.

Some reasons why I have chosen Mark as the best leader are that the style he manages his company with. He doesn't follow Traditional Regimes; Rather than choosing employees based on age and experience, everyone's thoughts are appreciated. He has a Clear Vision. He is fearless; Zuckerberg risks and the intelligence to withdraw if he was mistaken in his decision. Zuckerberg shows respect for his workers by estimating the quality of their work, not by looking at the way they dress or decorate their tables. He himself usually wears jeans and hoodies to work. He Approves Employees; Workers at Facebook can work in creative ways outside the routine of government and tradition that exist at many other larger companies.

In conclusion, I'd like to talk about my leadership style. I believe that the fastest and most positive way to sustainable success is through sound, moral, merciful, and emotionally intelligent leadership. Every effective leader should insist and work towards their aims and vision. Successful leaders are keys to upgraded productivity and confidence among workers in the organization. If I were to sum it all up, I'd say a great leader should have a goal that is greater than he is, and the creative character and skills to put that goal into action.
