(Discuss the relationship between Functions of Management and function of project)

(ناقش العلاقة بين وظائف الإدارة ووظائف المشروع)

Management

- 1- planning
- 2- organizing
- 3- leading
- 4- controlling
- 5-Directing
- 6-Staffing

Project

- 1- product
- 2- marketing
- 3- Human resource
- 4- finance

Functions of Management comes at the first stage of projects or operations while function of project came as driven solution for the project.

While the function of management plan, control, direct, and organize the company, the function of project will assets on product, finance, and pick the right staff to the company.

Therefore, function of project can help to improve the workflow of the function of management.
