Assignment (1)

During our study about Leadership, we learned the difference between manager and leader, adding to that we studied traits, and styles of leaders and leadership.

In our first assignment, you will research and write about **a modern project leader** of your choice . Carefully consider his traits, styles, and detect any different situations for his/her leadership in today's organizations.

Your Task

1. Select a leader either a “good example or a bad example.”
2. Research your chosen leader, identifying **evidence** of his/her traits, styles, and leadership situations.
3. Write a **four-paragraph essay** profiling your chosen leader.
 - First, introduce your leader, and state why you selected him/her. Was their leadership effective or not effective?
 - Next, detect the traits and style of your leader, and why you chose that style for him/her?
 - Next, describe the leadership situation your chosen leader was in and so you chose for him that style?
 - Finally, conclude with a short description what is your personal leadership style and how effective it has been for you?

Best of luck..

الواجب الاول

خلال دراستنا في مقرر القيادة في المشاريع، تعلمنا ما هو الفرق بين المدير والقائد، أضف إلى ذلك أننا تطرقنا أيضاً إلى سمات وأنماط القادة والقيادة.

في واجبنا الأول، ستقوم بالبحث والكتابة **عن قائد مشروع من اختيارك**. ضع في اعتبارك سماته وأساليبه وأنماطه واكتشف أي من المواقف المختلفة لقيادته في مؤسسته أدت إلى اختيارك إياه.

مهمتك هي:

1. حدد قائداً أياً كان "مثالاً جيداً أو مثالاً سيئاً للقيادة".
2. ابحث عن القائد الذي اخترته، وحدد الدليل على سماته وأنماطه ومواقفه القيادية.
3. اكتب مقالاً من أربع فقرات يصف القائد الذي اخترته:
 - أولاً، قم بتقديم قائدك، واذكر سبب اختيارك له / لها. هل كانت قيادته فعالة أم غير فعالة؟
 - ثم بعد ذلك، اكتشف سمات وأسلوب ونمط قائدك، ولماذا اخترت هذا الأسلوب أو النمط له / لها.
 - بعد ذلك، صف الموقف القيادي الذي أثر بك وجعلك تختار الحديث عن هذا القائد. وأن لهذا السبب انت اخترت له هذا النمط القيادي.
 - أخيراً، اختتم بوصفاً موجزاً لأسلوبك الشخصي في القيادة ومدى فعاليته بالنسبة لك.

مع تمنياتي بالتوفيق....

Ghazi Abdul Rahman Al Gosaibi

Gazi Al Gosaibi was a Minister, ambassador, academic, writer, Poet, novelist who wrote more than 70 books and some of his books are still in the bestseller list until this time. His main concern, while moving from one position to another, was reforming, and changing situations for the best it could be and inspiring others.

Ghazi was a very inspiring person who still has the influence on people even after his death. He saw leadership as a responsibility, not an authority and as a changing and making difference, he described leadership as the **art of influencing others** in such a way that makes them move forward to achieve the goals that the leader adopts. He had strong achievements such as co-founded SABIC, which is considered one of the most powerful companies in the world today. When he was Minister of Industry and Electricity, most houses had electricity in almost no time. From my perspective **Ghazi was Transformational / Visionary Leadership Style** I chose this as his style because he inspired others including his team, and he used the motivate the Saudi society for improving.

When Ghazi was Minister of Health, some people were in Makkah at the time of Hajj blocking the roads refusing to get off and preventing ambulance from passing through to the hospital's emergency gates, Ghazi went there himself and said that he will drive the ambulance and if they decide to stay under the wheels, that is their business, and when he was 3 to 4 meter far from the entrance people started to run and get off the road. He was driving very slowly, and he said: surely I was planning to stop before I get close but they believed it. And he gave advice for the young leaders to not use the edge of the cliff policy unless it is absolutely necessary and never slip from edge to cliff. That shows he is ability of solving problems and how important to change your leadership style depending on situation.

For me, the Visionary leadership style is the most effective of all styles, for sure the style changes depending on situation, but it is about motivating others and heading for vision together. I think it is wise and strength to have a team go up with you and share the same vision with you.
